

You're way ahead from the start.

live better with the V-Spec.

There's nothing quite like our legendary, value-laden standard V-Spec. Many have tried to match its scope and quality, but it remains a leader. Every Ventura home comes with a long list of premium supplier inclusions, listed below, as standard. So even before your journey starts, you're way ahead of the rest with a beautiful new home that's packed with so much more quality, style and value. It's just another way Ventura ensures you live better.

Every Ventura home is built to include the following:
